Cherish the special moments and make them the most beautiful part of your life using right items.

Photography among others helps to capture the precious time of one's life journey. Our photo slates are done with very high quality and clarity.

The artistic effect is good: the characteristics of the magic stone painting is that the picture is exquisite and the color is thick,

long lasting and vivid. Moreover, the slate is uneven, which enhances the three-dimensionality of the picture, and different visual effects can be seen from different angles.

The picture stone slates are an amazing choice as a gift and a souvenir.

Acceptable printing file types:

Laser & Dye cuts

For the longest time, stickers have been linear in shape. People get multiple stickers printed on a sheet. And these individual labels are then cut into boring squares and rectangles. Traditional methods will not work for stickers having non-linear edges.

We are leading printer of all kind of cosmetic labels, juice & beverage labels, pharmaceutical labels , agrochemicals & pesticide labels, self adhesive labels, printed labels, PE Label, PP labels & FMCG Labels

Our unwavering focus on quality is our way forward to success, which can be seen in our offerings that are highly acclaimed for strong adhesion, wide variety of customized sizes and shapes, superior surface finish, striking colors, moisture resistant properties and competitive pricing structure.

Artwork:
Resolution 300ppi or higher
